

LA PALMA

2 bedrooms + loft, 2 bathrooms
sleeps up to eight people
999 square feet

Picture the inviting cottage you've always imagined, nestled among groomed walkways and picturesque waterfalls, then step into La Palma. Rooms that are generously proportioned and a modern open floor plan make coming together easy. The abundant sleeping space provided by two bedrooms plus a loft area means family and friends can join together to create those precious vacation memories. You'll love the elegant laminate flooring that greets you upon entering La Palma and then weaves seamlessly through the dining room and living room. The well-appointed gourmet kitchen invites you to share in the preparation of mouthwatering meals. Two full bathrooms with classic hand-set tile flooring, a stacker washer and dryer, ample storage space in the loft and quality finishing touches throughout mean "roughing it" can now be removed from your vocabulary. Welcome to your home away from home!
